### **Competitions?**

#### **Georgia Fall Special Olympics – Statesboro, Georgia – November 12 -14, 2010.**

Various other tournaments including locations around Lake Lanier, Alpharetta, Douglas County, and more in the works! Times to be announced as they are firmed up!

We will DEFINITELY have a lot of competitions available and fun!

### **Cost?**

Unfortunately tournaments cost money and traveling to fall games involves transportation and outlay for uniforms. We also have equipment and other expenses to run the program.

So, we do have a suggested donation amount for athletes to contribute in order to pay for some of this expense. Discussion of the cost will be explained at the informational meeting or at the first practice of the year. Come out and play!
